DIESEL FUEL CLAIM FOR REFUND ON NONTAXABLE USES

GENERAL INFORMATION

If you paid diesel fuel tax on purchases of diesel fuel and if you used the tax-paid fuel for nontaxable purposes, you can obtain a tax refund by filing this form (BOE-770-DU). The law allows for claims to be filed once a year. However, if your claim exceeds \$750 for any calendar quarter, you may request to file your claims on a quarterly basis.

Do not use this form if you are claiming a tax refund for tax you paid for diesel fuel you used for farming purposes or in an exempt bus operation. Refunds for these types of uses can only be claimed by your supplier. You must seek reimbursement of the tax you paid from your supplier. Your supplier must claim a refund using BOE-770-DV "Diesel Fuel Ultimate Vendor Report/Claim For Refund."

The following are not subject to diesel fuel tax:

- Diesel fuel used in a vessel. A vessel is a boat, ship, barge, or other watercraft.
- Diesel fuel used for purposes other than operating motor vehicles upon the public highways of the state.
- Diesel fuel used to operate a power take-off (PTO) device. PTO generally is described as "an accessory mounted onto a transmission allowing power to be transferred outside the transmission shaft or driveline. The accessory will usually consist of a small gearbox with an external shaft, or a short shaft with a driveline yoke assembly for attaching an external driveline."
- Diesel fuel used in vehicles operated on highways under the jurisdiction of the U.S. Department of Agriculture. To qualify for a refund, the user must have paid for or contributed to the construction or maintenance of the highway.
- Other nontaxable uses may include diesel fuel used in a motor vehicle owned and operated by a public agency or political subdivision of the state (e.g., county, city and county, city, district) on highways constructed and maintained by the United States, or by any department or agency of the United States, within a military reservation within California. It may also include exporting of tax-paid undyed diesel fuel, other than in the fuel tank of a diesel powered vehicle, for use out-of-state.

If you are interested in filing your Diesel Fuel Claim for Refund On Nontaxable Uses form electronically with the State Board of Equalization (Board), please contact the Fuel Taxes Division at 916-322-9669.
